I am wishing everyone a very Happy (and early) Easter. The students have prepared throughout the week in a variety of ways culminating in a Prayer Service and Stations of the Cross today. Tomorrow, Good Friday, is our last fish fry for the year. Many thanks go out to all of our families who have helped volunteer, especially the Van Wassenhoves, Thorntons, Bennetts, Mays, Longos, and Laheys. This is a great event that our school hosts, and really helps connect and bring the community together! Please also note that there is no 4 PM Saturday Mass as Easter Vigil begins at 7:30 Saturday Evening. Sunday Masses still begin at 8:30 and 11:00.

A week from Sunday our 2nd graders will celebrate their 1st Holy Communion. The students have been preparing for this important event in their lives. I look forward to witnessing the event.

Next Wednesday our staff will have their last early release day of the year. Students are dismissed at 1:45. Teachers will be working on elements of the Strategic Plan as well as listen to a speaker from the Archdiocese regarding Human Resources.

Next week we are also having a historically fun fundraiser. On Thursday April 20, teachers and staff will be participating in McTeacher Night at the Greendale McDonalds. From 5:30-7:30 our staff will volunteer and work with the McDonalds staff. We will receive 20% of all revenue generated during that time as well as all the money that comes from cookie sales. If you are available, please bring the family by and enjoy the fun evening.

Our window for the next round of ISTEPs open up next Monday as well. Our students will spend this upcoming week preparing for the ISTEP test as we will begin on the week of April 24. The window closes on May 5. I will be sending home a master schedule for the ISTEP in next week's Friday Folder.

I want to finish the week's edition with a bit of news that makes me both proud and sad at the same time. Mrs. Vollmer has been offered and accepted a position at another school next year. She will be teaching 5th grade as well as act as Assistant Principal. Mrs. Vollmer has poured her heart and soul into St. Lawrence for over a decade. I am proud that she is taking the next step in her ministry. She will be missed. Our plan is to recruit and hire the best and brightest teachers available for both Mrs. Siemers and Mrs. Vollmer. I will keep everyone apprised of the process and look forward to when I can introduce our next great additions to St. Lawrence.

It is good for us to break out of our set ways, because it is proper to the Heart of God to overflow with tenderness, with ever more to give.
