*November 14- Cookies and Canvas*

*November 21-23- Thanksgiving Break*

*December 9- St. Lawrence Christmas Program*

I hope everyone has had as terrific of a week as we have had here at St. Lawrence. This Wednesday we held our annual Halloween Parade and Luncheon. It was great to see the families come and support our students. The 7<sup>th</sup> grade also put together a great luncheon! Thank you to all of those parents who volunteered to make the lunch run smoothly. The costumes we saw were very creative! It is always interesting to see the different themes and trends that walk through our door.

I want to wish the 5<sup>th</sup> and 6<sup>th</sup> grade speech team good luck this as they take part in the Oldenburg Speech Competition tomorrow. The students have been working very hard and I know that they will be ready for their speeches! Best of luck to Anelisa Auxier, Madeleine Longo, Madison Terrill, Kylie McCoy, Jordan Mock, Reagan Mock, Ethan Rahschulte, Jackson Schmid, Lucy Stoecklin, and Brandon Zimmerer!

Our Character Trait for the Month of November will be Compassion. Students will be talking about how we can show compassion in our schools, our homes, and in the community. Our Panther Pride will take place on November 30.

Last weekend our Jr. High Robotics team attended a meet at Triton Jr. High School. The robotics team completely built their robot, and have been practicing since the beginning of the year. This is the 3<sup>rd</sup> year that we have had a robotics team and each year we are getting more comfortable with the meet. The students are asked to work with another team from a different school. They work together to accomplish a task

with the robots. Way to go Jacob Hemme, Jenna May, Rebecka Geuss, Lainey Long, Jack Banta, Carson Padgett, and Aiden O'Hara!

This week our 5<sup>th</sup> and 6<sup>th</sup> grade boys have kicked off their basketball season. The 8<sup>th</sup> grade will play their first games next weekend at the Oldenburg Classic, and our 7<sup>th</sup> grade opens on November 12 against GMS. It is always a fun time to watch our basketball teams compete. I look forward to making it out to catch some games!

Now that November is officially here, shorts are no longer permitted to be worn. Please make sure that your students are following the dress codes. It also appears that November is setting up very similarly to October. The seven day forecast has a wide variability in its temperatures. Please always double check and make sure that your kids are ready for the weather of that day. We try to get outside and play as much as possible! If your kids are trick-or-treating tonight, enjoy! Have a terrific weekend!
