We had our first taste of winter weather, the lights are being hung, and decorations are going on the walls. It is easy to call this the Christmas Season, but at St. Lawrence we are excited for the start of Advent this weekend. The word advent is rooted in Latin and literally translated means, coming. We are preparing for the coming of Christmas, but we are also preparing for Jesus's return to earth. This is an important season in the Liturgical Calendar. While we have decorations up, our students will be learning about the importance of Advent over the next couple of weeks.

On December 9, St. Lawrence will be hosting its annual Christmas Program. On Tuesday and Thursday next week our students will be heading over to Lawrenceburg High School to practice for the program. Permission slips were sent out today. Please have them signed and returned by Monday so your child can go. The students have been working hard and are getting the songs down. The program will take place beginning at 2:00 and is held at the Lawrenceburg High School auditorium. Please keep the date open, and I look forward to our kids performing.

Thank you for your support for some of our fundraisers during the month of November. Our students raised over \$200 for the North Dearborn Food Pantry with the 3rd grade's "Tag Day for Turkeys" drive. We also made over \$170 for the PTO with your support from our Gold Star Chili family dinner last week. Thanks again for the support!

If you have not done so, please consider signing up to join us for our Family Seminar this Wednesday. Rock Solid Families will lead a discussion entitled "Parenting in a High Tech World". It will take place from 6:30-8:00 in Hartzler Hall. This is a very important topic and I am

expecting a lot of good information to be shared with us. We sent out a registration form a few weeks back. There is also an event listing on our Facebook page. I am looking forward to a great turnout. Have a great weekend! -Michael Odar

WE NEED YOUR HELP!!!

St. Lawrence is beginning the process of creating a strategic plan for our future. We value your opinion and you're your help! Please take a moment and fill out the parent surveys. The information gathered will be useful as the school undertakes its creation of a strategic plan. The links to each survey are found below. Thank you for your time.

We cannot truly follow Jesus when we are weighed down by things, because if the heart is crowded with other goods, there will be no room for the Lord, who will become just one thing among others.
