Presidential Wax-Museum
8:30-10:30

February 23- Fish Fry- 4:30-
7:30

February 26-March 9- ISTEP
Part 1 Window

Another productive but shortened week. Our students have been learning many new and exciting things during the school day. I have seen students creating tests to use as study guides, dividing mixed fractions, and really digging into grammar and reading comprehension. The effort being put forth by our students is top notch right now!

With our latest snow day, there has been a revision to the school calendar. We will make up January 12 on February 19, January 16 on March 19, and February 7 on March 20. Any other snow days will be made up on March 21-23. After that we will have to begin adding days onto the end of the school year.

This is another reminder that we are seeking volunteers to assist with our annual Fish Fry. This year we will have the fish fry over five Fridays; 2-16, 2-23, 3-2, 3-9, and 3-16. You have already received a form asking for help in volunteering. Our fish fry contributes to the school budget, and helps offset the cost of tuition for each of our students. Please consider helping out, it does make a difference. Please also spread the word, the doors are open from 4:30-7:30. Swing by and enjoy some delicious fish!

Registration continues for the 2018-2019 school year. Please keep in mind that if your family refers a new student/students, St. Lawrence will pay your registration fee. Also, we are going to hold a drawing at the end of February. Every family that is registered can be

entered to win a \$250 scholarship. The early that we get registrations turned in, the earlier we can get our plans in motion for the 2018-2019 school year.

Our character trait this month is Acceptance vs. Prejudice (it was originally "tolerance" vs. prejudice but as I did some research, there was a valid argument that we should turn from "tolerating" other people's differences to "accepting" them :) Our Bible Verse: "Love is patient and kind" 1 Corinthians 13:4. Our I will statements are: I will remember that everyone has their own individual story to tell; accept and embrace the unique differences of everyone; listen and become knowledgeable before I form an opinion; remember that what is popular is not always right; treat others as I want to be treated.

Our service project will be for February and March (since March is a shortened school month). Mrs. Noel's 4th grade will be working with the Gilmin Group in Kentucky. This is a home run by Christian missionaries that is working with young men 12 and older as well as families in crisis. We will be collecting supplies that can benefit the day to day operation of the group. Specifically paper plates, toilet paper, paper towels, and napkins. Please be on the lookout for information coming home next week.
