Thon

May 19- PTO Adult Night  
(more details to follow)

May 25- 8<sup>th</sup> grade luncheon

May 29- 8<sup>th</sup> Grade Graduation  
(5:30)

May 31- Last Day of School

Another wonderful week is in the books. Our students were able to celebrate the Virgin Mary at our traditional May Crowning following Mass this Wednesday. The 8<sup>th</sup> graders and 2<sup>nd</sup> graders did a great job leading us in the celebration. A very special congratulations to Emma Dunn, Mackenzie Bennett, and Katie Cullen. Emma read a prayer honoring Mary, Mackenzie walked the crown up to Mary, and Katie had the honor of crowning the Virgin Mary. Each of the ladies wrote a touching essay that described how Mary is an influence in their daily lives. These young women are great role models for all of our students!

Our Kindergarten through 2<sup>nd</sup> grade had a fun Wednesday, as they were taught about weather safety from channel 9's Jennifer Ketchmark. They were actually featured on the channel 9 morning news on Thursday. Our 7<sup>th</sup> graders went on their traditional field trip to watch the Reds beat the Mets on Wednesday. The kids got to see a great game, as the Reds won it on a walk-off home run by Adam Duvall.

One of our teachers, Mr. Wagner, accomplished a rare feat that was featured in the news. This past Sunday, he ran the Flying Pig Marathon as well as the other three races that were offered throughout the weekend. Mr. Wagner placed 2<sup>nd</sup> overall in what was called the Flying Pig 4-way Challenge. In total he ran 37 miles in 37 hours, which I can assure you is 37 more miles than I ran over the weekend. There is a cool article about his accomplishment on <https://www.eaglecountryonline.com/news/local-news/bryan-wagner/>.

Our Castle Quest FUNRUN is off to a terrific start. The students have a goal of \$8,000 to raise for our annual walk-a-thon. If they are successful I will be slimed by some lucky students. Our students raised over 25% of the goal in one night. Keep up the good work everyone. The walk-a-thon will take place next Friday beginning at 10 AM. Please continue to support the event. Your participation is important, this is one of our major PTO fundraisers. This year our PTO has purchased a new water fountain, new awnings for the school, and helped offset some of the costs for each of our field trips. One final note, our walk-a-thon will be taking place in the back parking lot on Friday. That means that anyone coming to the building will have to park out on Walnut Street.

This Monday, May 14, St. Lawrence will be hosting its annual "State of the School" address. I will be discussing our progress this year, plus what our vision is moving forward. The School Advisory Team will also talk about the work that they have been doing, and ways to use your time and talents around our building. They will also have a brief discussion about fundraising opportunities that could potentially substitute for some of the current activities we have to help fund the school. The event will take place in Hartzler Hall from 7:00-8:00 PM. Any parent that attends will get an out of uniform pass for their students.
