It is hard to believe that we just completed our last full week of the school year. I want to wish a special congratulations to our 8th graders as they completed their last exam this morning. They then went over with the 7th grade to Willie's to have the traditional 8th grade luncheon. They have put in a tremendous amount of work during their time here, and I know that they are ready for the next step. I am proud of them! Our 8th graders will be graduating this upcoming Tuesday at 5:30. This is always a special event, and I look forward to being a part of the ceremony.

Next week is our last week of school, and we will have some fun activities for our students. Next Wednesday we will have our traditional Field Day for the younger grades and Kick Ball Tournament for grades 5-7. Also next Thursday we will have our end of year Mass and Award Ceremony. Students are in uniform that day. Mass starts at 9 and the ceremony will follow. Students go home after the Mass on Thursday, but I know it is an unwritten tradition

that families go and celebrate the end of school at Kings Island. This is not a school sponsored event, but it is something that some families do together.

With the end of the year just around the corner, now is also the time for you to come pick up any medications you have checked in at school. It is required that the parents come in and pick up the medicine from the front office. **STUDENTS ARE NOT PERMITTED TO TAKE HOME ANY MEDICINE.**

On June 4th we will begin operating our summer office hours. The school office will be open from June 4th through June 6th from 9 AM to 12 PM. The office will then remain closed from June 7th through July 20. From July 23rd through July 26th the office will be open Monday through Thursday from 9-12. Then the hours will expand as the office will be open July 30th and July 31st from 9-1 and our first day of school will be August 1.

Thank you again to all of the students, staff, and families. You all work tremendously hard to ensure that we are a true school family. It is motivational to see how the Holy Spirit moves people to work together. Without your effort this school would not be successful. I wish you a relaxing and safe summer. Please know that you can email any good news (sports, dance, art, etc.) from our students over the summer. Also, any fun summer vacation photos would be much appreciated. I would love to fill our Facebook page with all of the successes and fun our students are having this summer. God bless!
