Welcome back, everyone! It is always exciting to get the students back in the building. The energy that they bring is why I love my job. A special welcome also goes out to all of our new families. The Panther Post is passed out each Friday. It includes key information for upcoming events, plus updates on what is going on around the building. I wanted to point out a few of the changes that we can see in the building...

This year we have many exciting things for us to look for. Our spiritual theme for the year is "Receive the Power". More specifically, "Receive the power of the Holy Spirit". Father Ben is going to be teaching our students a song and we are going to learn about how we can receive the Holy Spirit in our lives. It is important for us to remember how the Holy Spirit can lead us in our everyday lives and lead us to accomplish tremendous things!

Please take the time to fill out all of our necessary forms and paperwork. We still need to collect the green emergency contact and medicine forms from a few students, as well as our Internet acceptance and playground policy form that is located in the back of the student teacher handbook. Please let the front office know if you need another one of these forms.

In addition, we will also have the different duties for each week on the back of the newsletter. We are in desperate need of volunteers. We need a lunch volunteer on Tuesday and recess help on Monday of next week. We have plenty of additional spots to fill throughout this month as well. Mrs. Thornton, our lunch director, is in charge of scheduling our volunteers. Please let her know via email; athornton@sls-apps.org if you are able to assist. As you are planning how many tickets to buy for lunch, please keep in mind that lunches are \$2.60 and \$0.50 for milk. Lunch money is turned in on Mondays, and it is much easier to pay in increments of 5, 10, and 20 at a time.

Tonight is our annual back to school pool party at Lawrenceburg Pool. The event takes place from 7-9 PM. It is a fun way for us to celebrate coming back together as a community and a great way to get to know our families. I hope to see everyone out and about at Lawrenceburg Pool tonight. Please just remember, it is impolite to splash the Principal (teachers are fair game though)!
