We have reached the end of the 1st quarter! Father Ben and I were blessed to spend Monday and Tuesday with the 8th grade at the CYO Camp Rancho Framasa in Nashville, IN. I couldn't be prouder of our 8th graders. They are growing in their Faith and pushing themselves out of their comfort zones. During the short time that I was there, it really seemed like they are coming together as a group. They returned earlier today, and seemed tired but excited about their experience.

Our 1st quarter is done, which means that we will be sending our report cards home after break. On **Friday October 19** students will take home the report cards. Report Card conferences will take place between on October 23-24. Parents in grades K-5 should have also filled out and returned their conference time preferences. You have received a copy of your scheduled conference times in this week's Friday Folder.

This is the time of year where our weather can vary from day to day, and even hour to hour. Please remind your students that they need to wear clothing that is appropriate

for the weather. As long as it is dry, we usually take our students outdoors for recess. As of November 1, our students will no longer be allowed to wear shorts until April. If it is in the 40's or 50's and our students are not dressed properly, they will be asked to miss recess. Also, this is the prime time of year when we begin to lose sweatshirts and jackets. If your child is missing an article of clothing, there is a good chance that it is located in the Lost and Found. The Lost and Found is located directly across from the copy room next to the boys' restroom.

Please spread the word about our St. Lawrence Trunk-or-Treat on October 28. The school is opening the event up to the entire community and kids from birth through the 8th grade may participate. We are adding a new element to this event this year. There will be a Chili Cook-off in Hartzler Hall. Bring the kids, enjoy fellowship, and some good food! It will take place from 1:00-3:30!

I hope everyone has a safe and happy two weeks off. If your family is doing something exciting at home or on vacation, please share some photos. We would love to put up to pictures on Facebook showing the exciting things our students get to do while away. Please email me at modar@sls-apps.org if you would like to share! Have a great two weeks!
